Fiqa Liyana Chong is an entrepreneur who believes in moving beyond the conventional norms bet it apparel or footwear. The idea of foldable shoes was entirely demand-driven. Ms Chong travels a lot and had to attend events where high heels were mandatory. However, given the utter discomfort and inconvenience caused by heels and requirement of many pairs, it seemed extremely impractical from travelling perspective. This is when the idea of creating multi-purpose, durable, highly-comfy and foldable footwear struck her. Within no time the design was in the production process and today it is readily available in numerous designs, colors and styles.

	STOREHUB SDN BHD	Permanent	Customer Service, Sales, Online Marketing		StoreHub was founded in 2013 with a single mission in mind: To Make Your Business Awesome. We envision a world where relationships are once again central to commerce. Where technology is not a negator but a facilitator of communities. Where transactions turn into relationships. For us StoreHubbers, our work is a journey. We see ourselves on an expedition, where our vision is clear and our mission makes each step meaningful. But above all, we're learning to always walk in THOMAS because we believe that how we do anything is infinitely more important than the goal itself.
	Leaderonomics Sdn Bhd	Internship, Permanent, Contract	Multiple	1) Diploma, Degree, Masters, Certification is fine	Leaderonomics is a social enterprise with the purpose of transforming nations through leadership development. Why leadership? We believe leaders can profoundly affect the social, economic and spiritual health of communities they belong to. We develop leaders in three core areas: - Corporate (working with leaders of organisations to design and implement learning and talent solutions for their people) - Community (engaging with children, youth, university students and NGO leaders to develop their leadership) - Media (creating engaging leadership content in the form of digital, print, audio and video) The services we provide, especially in Corporate Services and Media, enable us to continue on in our Community efforts and provide leadership development even to those who cannot afford it. Our Community arm is not CSR. As a social enterprise, it represents the heartbeat of Leaderonomics and the purpose of our existence. We believe all human beings have potential for leadership. No matter who you are, what you do and whatever challenges are hampering your progress, Leaderonomics can help you and your organisation achieve maximum potential.
